STATE OF WASHINGTON
DEPARTMENT OF ECOLOGY

Notice of Application for
Water Quality Certification
and for
Certification of Consistency with the
Washington Coastal Zone Management Program

Notice is hereby given that a request is being filed with the Department of Ecology for certification that a proposed discharge resulting from the project described in the Corps of Engineers Public Notice No. 071-0YB-2-006802, will comply with the applicable provisions of State and Federal Water Pollution Laws.

Notice is also given that a request is being filed with the Department of Ecology for concurrence that the above referenced project will comply with the Washington State Coastal Zone Management Program and that the project will be conducted in a manner consistent with that Program.

Any person desiring to present views pertaining to the project on either or both (1) water pollution or (2) the project's compliance or consistency with the Washington State Coastal Zone Management Program may do so by providing written comments to the Department of Ecology, Inter-Agency Operations Section, Mail Stop PV-11, Olympia, Washington 98504.

Please note, state regulation requires a minimum of 20 days of public notice. The comment period will begin 31 January 1983 (date of publication) and run until final comments are received from reviewing state agencies and the local government(s).
